

The research commercialisation office of the University of Oxford, previously called **Isis Innovation**, has been renamed **Oxford University Innovation**

All documents and other materials will be updated accordingly.  
In the meantime the remaining content of this Isis Innovation document is still valid.

URLs beginning [www.isis-innovation.com/](http://www.isis-innovation.com/)... are automatically redirected to our new domain, [www.innovation.ox.ac.uk/](http://www.innovation.ox.ac.uk/)...

Phone numbers and email addresses for individual members of staff are unchanged

Email : [enquiries@innovation.ox.ac.uk](mailto:enquiries@innovation.ox.ac.uk)

# Let us help you, to help others

Isis works with researchers across the breadth of the University

It's surprising where your research can take you

Isis Innovation is the University's technology transfer company. We can provide you with commercial advice on:

- Patenting
- Technology Licensing
- Spin-out company formation
- Consultancy for researchers
- Material Sales agreements
- Technology Transfer consulting

For more information,  
contact us at  
[innovation@isis.ox.ac.uk](mailto:innovation@isis.ox.ac.uk) or  
visit our website  
[www.isis-innovation.com](http://www.isis-innovation.com)

Maximise your research

Reach a wider audience

Apply the unexpected

# Bright ideas, broad horizons
