### Important Information

Oxford Angel Network provides an information service to exchange data between unquoted companies and potential investors. It does not advise on the merits or risks of investment and is not authorised to carry on regulated activities under the Financial Services and Markets Act 2000 but rather is an exempt body under Article 40 of the Financial Services and Markets Act 2000 (Exemption) Order 2001.

Investment, whether in new or existing businesses, carries high risks, as well as the possibility of high rewards. It is highly speculative and potential investors should be aware that no established market exists for the trading of shares in private companies and as such investments are not readily realisable.

Before investing in a project about which information is given, potential investors are strongly advised to take advice from a person authorised under the Financial Services and Markets Act 2000 who specialises in advising on investments of this kind.

Accordingly, no responsibility can be accepted by the Oxford Angel Network, for any damage or loss of whatsoever nature due to negligence, disclosure or non-disclosure or any cause occasioned by an investment in any business promoted by the Oxford Angel Network. The Oxford Angel Network recommends that all prospective investors make their own legal and other professional enquiries before proceeding with any investment.

### Conditions of network membership

I have read the Important Information above and agree to all the conditions and disclosures that are set out therein. I accept that any decision to invest in any business introduced to me/us by the Oxford Angel Network is my responsibility.

I declare that the information supplied by me/us is accurate and complete to the best of my/our knowledge and that I am not disqualified from holding office as a director of a company nor have been convicted of any criminal offences in relation to a business activity nor have been adjudged bankrupt nor suffered the making of any application for a bankruptcy, administration or like order pursuant to the Insolvency Act 1986, nor have I been involved in any capacity in any company or business which has entered into liquidation, administration or receivership which I have not disclosed fully and in writing to the Oxford Angel Network.

I agree to hold confidential any information provided to me by any business or information regarding opportunities from the University of Oxford/Oxford University Innovation introduced to me by the Oxford Angel Network. I agree to execute a confidential disclosure agreement direct with the University of Oxford and Oxford University Innovation if called upon so to do.
