

Oxford Cognitive Screen Available Language List

COA translation information	
List last updated:	07-Jan-24
Number of translations available:	20
Notes:	TLV = Translation Linguistic Validation RLV = Review Linguistic Validation

This list of translations is subject to constant change, therefore if the language version you require is not listed, please check availability with Clinical Outcomes at Oxford University Innovation.

All of the Official Certified translations listed have been made from the original (English for UK) version and have undergone translation and linguistic validation using protocols consistent with internationally recognised good-practice guidelines. All Official versions come with letters certifying the methodology used.

Clinical Outcomes at Oxford University Innovation have various Non-certified translations that may not have undergone a full translation/review and linguistic validation process in accordance with our good-practice methods and may require further work to be suitable for use in a study subject to regulatory rigour.
