This list of translations is subject to constant change, therefore if the language version you require is not listed, please contact us for availability with Clinical Outcomes at Oxford University Innovation.

All of the Official translations listed above have been made from the original (English for UK) version and have undergone translation and linguistic validation using protocols consistent with internationally recognised good-practice guidelines. Official versions come with letters certifying the methodology used.

Clinical Outcomes at Oxford University Innovation have various Best Available translations that may not have undergone translation and linguistic validation process in accordance with our good-practice methods and may require further validation for use in a study subject to regulatory rigour. Please contact us for further details.
