This list of translations is subject to constant change, therefore if the language version you require is not listed, please check availability with Clinical Outcomes at Oxford University Innovation.

All of the Official translations listed above have been made from the original (English for UK) version and have undergone translation and linguistic validation using protocols consistent with internationally recognised good-practice guidelines. All Official versions come with letters certifying the methodology used.

Clinical Outcomes at Oxford University Innovation have various Best Available translations that may not have undergone a full translation and linguistic validation process in accordance with our good-practice methods and may require further work to be suitable for use in a study subject to regulatory rigour. Please contact us for further details.
